Chris Roth, WBAY-TV's sports director since 1999, will be the play-by-play voice for the University of Wisconsin-Green Bay men's basketball team for the upcoming season.

The move was announced by the school, Nelligan Sports Marketing and Cumulus Broadcasting on Wednesday.

Roth, who was a commentator during selected Phoenix games last season, has called play-by-play during Green Bay Packers preseason telecasts and some Marquette men's and women's basketball games for television and radio. He also has worked on telecasts for ESPN Plus and the WIAA state basketball tournaments.

"I enjoyed doing color commentary last year, and I'm excited to move up and do play-by-play in a season that has great potential," Roth said.

Phoenix games air on WDUZ, 107.5 FM and 1400 AM.
